BlackBerry Torch 9800

A bit more detail

- Lets you send and receive emails in real time, and synchronise with your desktop¹.
- Open and amend Microsoft® Word, Excel® and PowerPoint® attachments using the Documents To Go® applications.
- Full size 3.2 inch HVGA+ display allows you to watch videos in stunning quality.
- The touch screen lets you tap, swipe, pinch, and zoom your way around pictures and web pages. And there's a slide out QWERTY keyboard when you need to be more precise.
- Multitasking means regardless of what you're doing, emails, messages, updates, and notifications keep coming through.
- 5 megapixel camera with flash, continuous focus and new features such as face recognition, makes it easy to capture pictures in the best light.
- BlackBerry OS 6.0 gives you graphical menus and intuitive navigation. Everything has been designed for a more visual, fluid, and dynamic experience.
- A revamped browser with intuitive motions like pinching and zooming and tabs that let you swap between multiple web pages.
- The universal search scans your folders, apps, internet, email, and more, all in one search and doesn't stop until it finds what you're looking for.
- Inbuilt GPS complete with BlackBerry Maps so you can find where you are and get where you need to be.
- 4GB on-board media storage and 4GB MicroSD card pre-installed. And you can swap the SD card and expand the memory to 32GB.
