

The Nokia 2720 Fold, with similarities to the 6600 Fold sports a super glossy clamshell design and hidden external display which glows to alert incoming calls and messages.

Complimented by other easy to use communication features the 2720 Fold comes equipped with Nokia Life Tools, which offer a range of services for agriculture, education and entertainment that have been specifically designed for consumers in small towns and rural areas. The 2720 Fold is also Internet ready and offers an easy three-step email set up to Ovi Mail so emailing your friends and family couldn't be simpler. Other features include a 1.3MP camera, Bluetooth™ connectivity, built-in music player with FM radio and an impressive 18 days standby time.
