

Getting you through the toughest environments.

The Samsung Solid Extreme follows up the successful Solid as the latest rugged handset. IP57 rated, the Solid Extreme is both water and dust resistant and features a rubberised cover, keeping it protected in the harshest environments. With features such as a 1.3MP camera and Bluetooth™ connectivity you won't miss out on the most memorable of moments and be able to share them with your friends. Other features include an FM radio, microSD memory card slot, USB 2.0 connectivity and built-in torch. Designed for all weathers, you won't want to leave the house without it.

- Noise cancellation
- 1.3MP camera
